

SHELLEY P. ROSS, B.Sc., M.A., PhD, MCFP (Hon.)

Department of Family Medicine, Faculty of Medicine & Dentistry, College of Health Sciences
University of Alberta
6-10 University Terrace, Edmonton, Alberta, Canada, T6G 2T4
Telephone: (780) 248-1264; fax (780) 492-8191
Email: sross@ualberta.ca

ACADEMIC POSITIONS

Professor , Department of Family Medicine, University of Alberta	2021 - present
Associate Professor , Department of Family Medicine, University of Alberta	2014 – 2021
Assistant Professor , Department of Family Medicine, University of Alberta	2008 – 2014

EDUCATION

Doctor of Philosophy, Educational Psychology (Measurement & Evaluation) University of Victoria, Victoria, BC Dissertation topic: “Motivation correlates of academic achievement: Exploring how motivation influences academic achievement in the PISA 2003 dataset”	2008
Master of Arts, Educational Psychology (Learning and Development) University of Victoria, Victoria, BC Thesis topic: “The roles of goal orientation and emotion in responses to failure”	2003
Post-Degree Professional Program (Secondary) University of Victoria, Victoria, BC (Teaching certification)	2001
Bachelor of Science, Major: Psychology, Minor: Biology University of Victoria, Victoria, BC <i>Graduated with Distinction</i>	1994

ACADEMIC APPOINTMENTS

Academic Director, Teaching & Learning Strategic Planning Initiatives Faculty of Medicine & Dentistry, University of Alberta	2020 - present
Affiliate Member of the Faculty of Graduate Studies (Adjunct Professor) Department of Curriculum & Instruction, Faculty of Education, University of Victoria	2021 - present
Director of Research & Development, Teaching & Assessment Support Program Department of Family Medicine, University of Alberta	2016 - present
Adjunct Associate Professor Department of Family Medicine, Western University	2012 - 2020
Adjunct Professor (Assistant Professor 2008-2014; Associate Professor 2014-2021) Faculty of Education, University of Alberta	2008 - present
Director, Competency-Based Achievement Program (CBAS) Department of Family Medicine, University of Alberta	2015 - 2016
Assistant Director, Education Support Program Department of Family Medicine, University of Alberta	2008 - 2015

LEADERSHIP

Past President , Canadian Association for Medical Education	2022 - present
President , Canadian Association for Medical Education	2020 - 2022
President Elect , Canadian Association for Medical Education	2019 - 2020
Secretary , Canadian Association for Medical Education	2016 - 2019
Co-Chair, Working Group on Survey Development (Triple-C Evaluation) College of Family Physicians of Canada	2013 - 2015
Team Lead, Education Strategic Planning Department of Family Medicine, University of Alberta	2010 - present
Education Lead, School of Community-Based Medicine Faculty of Medicine & Dentistry, University of Alberta	2010 - 2013

INVITED PRESENTATIONS

(All CBAS presentations are a product of work of the full CBAS team: Mike Donoff, Shirley Schipper, Paul Humphries, Shelley Ross)

Ross S, Sonnenberg L, Abraham J, Kvern B, Wilson, K. *CaRMS Dating Game!* Invited presentation at the Section of Teachers meeting. Family Medicine Forum, November 12, 2021. Virtual delivery.

Ross S, van der Goes T. *Programmatic assessment in family medicine residency programs*. Invited speaker for Assessment Directors' Meeting. Family Medicine Forum, October 30, 2021. Virtual delivery.

Ross S, Sonnenberg L, Abraham J, Kvern B. *Pandemic times*. Invited presentation at the Section of Teachers meeting. Family Medicine Forum, November 6, 2020. Virtual delivery.

Ross S, Touchie C, Kvern B, Wright B. *Is programmatic assessment of learners sufficiently robust to make high stakes decisions on individual learners?* Invited panel presentation, Annual General meeting of the Medical Council of Canada, Ottawa, ON, September 21, 2019.

Ross S. *Competence or Excellence? Pedantics, pendulums, pedagogy, and the essential role of medical education research.* Invited keynote, Health and Medical Education Scholarship Symposium 2019, Calgary, AB, February 21, 2019.

Ross S. *If it's all about the learners, why aren't they involved in the research? The perils, pitfalls, and rewards of involving end users in medical education research.* Invited workshop, Health and Medical Education Scholarship Symposium 2019, Calgary, AB, February 21, 2019.

Ross S. *Basics of assessment; Competency-based medical education and workplace-based assessment; Formative feedback and coaching.* Invited full day educational retreat. Department of Dermatology, University of California Davis. Sacramento, CA, September 5, 2018.

Ross S. *A word on Field Notes.* University of Saskatchewan College of Medicine, Saskatoon, SK, September 21, 2017.

Ross S. *Competency-based education and assessment in Canadian family medicine residency programs.* Second Affiliated Hospital of Zheijang University, Hongzhou, China, March 27, 2016.

Ross S, Schipper S, Donoff M. Humphries P. *An overview of the Competency-Based Achievement System (CBAS): Trustworthy assessment in a competency-based education world.* Department of Palliative Care, University of Alberta, Edmonton, AB, November 19, 2015.

Ross S, Archibald D. *Understanding and using the Triple C Evaluation Survey data within your own program: Opportunities for program evaluation.* Family Medicine Forum, Toronto, ON, November 11-14, 2015.

Ross S, Schipper S, Humphries P, Donoff M. *Competency-Based Assessment Systems: Design and Implementation.* College of Anesthetists of Ireland, Dublin, IR, September 14, 2015.

Ross S. *Practical application of motivation theory to health professions education: A scoping review and examples for practice.* Society of Directors of Research in Medical Education, Salt Lake City, UT. June 27-29, 2015.

Ross S, & Chiodo M. *Getting the most out of the Competency-based Achievement System (CBAS).* FREEZeR Faculty and resident retreat, Department of Family Medicine, Jasper, AB, March 28, 2015.

Ross S. *Assessment, trust, and competence: An overview of the Competency-Based Achievement System (CBAS).* Pediatric Grand Rounds, University of Alberta. Edmonton, AB, March 12, 2015.

Ross, S. *Designing responsive faculty development: The AMMI Canada Educational Needs Assessment in action.* Association of Medical Microbiology and Infectious Disease Canada Annual General Meeting, Victoria BC, April 4, 2014.

Ross, S. *Direct observation tools: What do provinces need for effective training of assessors in practice readiness assessment programs?* Medical Council of Canada National Assessment Collaboration, Victoria BC, December 3, 2013.

Ross S. *Introducing the Competency-Based Achievement System: Tools for Direct Observation in Practice Readiness Assessments.* College of Physicians and Surgeons of Nova Scotia, Halifax NS, June 28, 2013.

Ross S. Micro-keynote: *Exploring questions of professionalism and use of social media among students in professional training programs.* Advances in Qualitative Methods Conference, Edmonton AB, June 21, 2013.

Ross S. *Competency-based assessment tools to determine practice readiness.* College of Physicians and Surgeons of Alberta Assessor Training Session, Grande Prairie AB, June 15, 2013.

Ross S. *The Competency-Based Achievement System (CBAS) and Sentinel Habits.* National Assessment Collaboration Working Group (Medical Council of Canada): Family Medicine. National retreat held in Victoria BC, February 18-20, 2013.

Ross S. *Outcomes of the AMMI Needs Assessment.* Meeting of the Education Executive of the - Association of Medical Microbiology and Infectious Disease Canada. Edmonton, AB, November 30, 2013.

Crutcher R, Ross S, Dennis A, Parent R. *Discordant Dilemmas: Assessing the clinical skills of Sudanese-Canadian physicians in South Sudan.* Wednesday Seminar Series, University of Calgary AB, Oct. 24, 2012.

Schipper S, Ross S. *An introduction to the competency-based achievement system (CBAS). General Meeting of the Associate Deans of Post-Graduate Medical Education.* Banff, AB. April 14-18, 2012.

Ross S. *Are you on facebook? Examining professionalism in the era of social media.* Family Medicine Research Forum, University of Alberta. Edmonton, AB. October 28, 2011.

Ross S. *Creating an effective conference poster.* Faculty Development, Department of Family Medicine, University of Alberta. Edmonton, AB. September 2011.

Ross S. *Motivating your learner.* Faculty Development, Department of Family Medicine, University of Alberta. Edmonton, AB. January 2011.

Ross S, Poth C, Donoff M, Humphries P, Steiner I. *Using participatory action research in the development and implementation of a competency-based achievement system.* Family Medicine Research Forum, University of Alberta. Edmonton, AB. June 25, 2009.

Ross S. *Motivation theory in action: Best practices in giving feedback.* Family Medicine Research Forum, University of Alberta. Edmonton, AB. March 26, 2009.

Anderson JO, Ross S, Milford T. *Schools and student achievement: Investigating relationships in science and mathematics education*. CRYSTAL-Alberta Speakers Series 2007-2008; University of Alberta. Edmonton, AB. September 15, 2007.

LETTERS TO THE EDITOR, BLOG POSTS, OTHER MEDIA

GRANTS

Project name	Funder	Role	Value	Year
Improving assessment in Family Medicine Obstetrics: Development and implementation of a new tool	Northern Alberta Academic Family Medicine Fund	Co-I	\$3600	2022
Faculty and Resident Perspectives on the Relationship of Continuity of Supervision and Assessment during family medicine residency training	Northern Alberta Academic Family Medicine Fund	Co-PI	\$5525	2022
eBook - Musculoskeletal (MSK) Practical Examination Techniques	College of Family Medicine Member Interest Groups Section	Co-I	\$5000	2021
Development and Evaluation of an eBook - Musculoskeletal (MSK) Practical Examination Techniques	Northern Alberta Clinical Family Medicine Fund	Co-I	\$25000	2021
Taking a closer look at local data from the Family Medicine Longitudinal Survey: Implications for undergraduate and	Northern Alberta Academic Family Medicine Fund	PI	\$4200	2021

postgraduate programs in the University of
Alberta Department of Family Medicine

To what extent do the Rank Order List, file score, and interview score predict for resident success or difficulty in the UofA Family Medicine program?	Northern Alberta Academic Family Medicine Fund	Co-PI	\$3600	2021
2021 Enhanced Skills graduates' survey	Northern Alberta Academic Family Medicine Fund	Co-I	\$7500	2021
Medical students' perceptions of palliative care and their evaluation of a virtual palliative care module during family medicine clerkship: A mixed-methods study	Northern Alberta Academic Family Medicine Fund	Co-I	\$7500	2021
Faculty and resident perspectives on continuity of supervision	Northern Alberta Academic Family Medicine Fund	Co-PI	\$7250	2021
Measurement of critical thinking skills in practicing family physicians: A comparative study to family medicine residents	Northern Alberta Academic Family Medicine Fund	Co-I	\$3100	2019
Residents as Teachers: Examining student evaluations of quality of resident teaching	Northern Alberta Academic Family Medicine Fund	Co-PI	\$5000	2018
Exploring learning experiences of Canadian family medicine residents in addiction and mental health clinical domains: A scoping review	Northern Alberta Academic Family Medicine Fund	Co-PI	\$3900	2018
Examining changes to self-regulated learning during competency-based professional training	Social Sciences and Humanities Research Council of Canada	PI	\$91,348	2018
The Alberta International Medical Graduates (AIMG) Experience: A Case Study	Health Sciences and Medical Education Research & Innovation Fund	Co-I	\$10,000	2017
Enhancing the information in the residency graduates tracking database	Northern Alberta Academic Family Medicine Fund	PI	\$5000	2017

Building on Existing Tools to Improve Cancer and Chronic Disease Prevention and Screening in Primary Care for Wellness of Cancer Survivors and Patients: The BETTER WISE project	Alberta Innovates – Health Solutions	Collaborator	\$2.7 million	2016
Examination of the outcomes of competency-based medical education in family medicine training in Canada	MITACS Postdoctoral Fellowship funding program	PI	\$45,000	2016
Perceptions of feedback in workplace based training: Developing teaching materials based on evidence from an observational study	Teaching and Learning Enhancement Fund	PI	\$51,000	2016
Exploring goal orientations of learners in professional education and of practicing professionals	Social Sciences and Humanities Research Council	Co-I	\$35,000	2016
Qualitative Understanding and Evaluation Study of Triple C (QUEST) Study	College of Family Physicians of Canada	Co-I	\$50,000	2015
Applying Findings From Research to Improve Formative Feedback Shared with Learners	Northern Alberta Academic Family Medicine Fund	PI	\$5000	2015
Residency program graduates database	Northern Alberta Academic Family Medicine Fund	PI	\$5000	2015
Examining the influence of language on assessment in competency-based education	SSHRC funded VP Research grants, University of Alberta	PI	\$10,000	2014
Development of an Evidence-Based CaRMS File Review Process	Northern Alberta Academic Family Medicine Fund	Co-PI	\$4000	2014
CCFP exam performance of international medical graduates	Northern Alberta Academic Family Medicine Fund	Co-I	\$5000	2014
Effectiveness of an academic benchmarking examination in a family medicine residency program	Northern Alberta Academic Family Medicine Fund	Co-PI	\$5000	2014

Practical application of motivation theory to health professions education: a scoping review and examples for practice	Society of Directors of Research in Medical Education	PI	\$3000 USD	2013
Coaching the coaches - Use of a novel faculty development tool to improve feedback to medical learners	Janus grant (College of Family Physicians of Canada)	CoI	\$5000	2012
Refining the Competency-Based Achievement System (CBAS): Ensuring Program Effectiveness in Family Medicine Residency Education	Teaching and Learning Enhancement Fund	PI	\$36,532	2012
Evaluating the Competency-Based Achievement System (CBAS): Implementation beyond Family Medicine	Teaching and Learning Enhancement Fund	PI	\$22,837	2011
Evaluating the Impact of an Innovative Competency-Based Assessment Framework in Medical Education	Teaching and Learning Enhancement Fund	PI	\$14,500	2010
The Competency-Based Achievement System (CBAS)	Killam SSHRC 4A Award, University of Alberta	PI	\$7500	2009

AWARDS & DISTINCTIONS

Award Name	Granted By	Category	Value	Year
Most Cited Paper in <i>Journal of Evaluation in Clinical Practice</i>	Journal of Evaluation in Clinical Practice	Research Award (International)	N/A	2022
Honorary Membership	College of Family Physicians of Canada	Major Award (National)	N/A	2021
Future Thinker Award	Academic Women's Association, University of Alberta	Award (Local)	N/A	2019
Best of Oral Presentations, HPE Scholarship Day	IDEAS Office, University of Alberta	Research Award (Local)	N/A	2019
Annual Scientific Assembly Reviewer's Choice Award – Top Poster	Alberta College of Family Physicians	Research Award (Provincial)	N/A	2018

Annual Scientific Assembly Reviewer's Choice Award – Oral Presentation (2 nd Place)	Alberta College of Family Physicians	Research Award (Provincial)	N/A	2017
Information Technology Excellence Award (CBAS team)	University of Alberta	Award (Local)	N/A	2015
Accredited CPD Provider Innovation Award	Royal College of Physicians & Surgeons of Canada	Award (National)	N/A	2015
Top Paper, International Conference on Residency Education	Royal College of Physicians & Surgeons of Canada	Research Award (National)	\$250	2013
David Cook Award for Education Innovation (as CBAS team member)	University of Alberta	Award (Local)	N/A	2012
Recognition of Excellence Award	Alberta College of Family Physicians	Award (Provincial)	\$500	2011
President's Research Award	University of Victoria	Research Award (Local)	\$2000	2008
President's Research Award	University of Victoria	Research Award (Local)	\$2000	2007
Doctoral Fellowship	Social Sciences and Humanities Research Council	Fellowship (National)	\$20,000	2007
Student Research Award	Western Psychological Association	Research Award (International)	\$400 USD	2005
Doctoral Fellowship (3 years)	University of Victoria	Fellowship (Provincial)	\$15,000/year	2004

TEACHING

Canadian Association for Medical Education CAME-PACCC course	2016 - present
Canadian Association for Medical Education SIME workshop	2015
Accredited workshops on assessment, education research, and program evaluation at multiple local, national, and international conferences	2012 - present

Undergraduate Medical Education Discovery Learning (Facilitator; 2-3 blocks/year)	2008 - present
Reproductive medicine	
Evidence-Based medicine	
Pulmonary Block	
Cardiology Block	
Musculoskeletal	
Psychiatry	
Community Health	

GRADUATE STUDENT SUPERVISION

(No graduate program in the Department of Family Medicine)

Supervision

Ann Lee, Maastricht University Doctoral Program (Local Supervisor)	2022-present
Shirley Schipper, Western University (Co-supervisor)	2014-2019
Nicole Kain, University of Alberta (Member, PhD Supervisory Committee)	2012-2018

External reviewer

Kathryn Hodwitz, University of Toronto (External reviewer, Master's thesis)	April 2018
Cynthia Weijs, University of Guelph (External reviewer, Doctoral dissertation)	February 2016

SERVICE (NATIONAL)

Postgraduate Education Committee (appointed member)	2020 - present
College of Family Physicians of Canada	

UBC Postgraduate Accreditation Site Visit (team member)	2020 (March)
College of Family Physicians of Canada/Royal College of Physicians & Surgeons of Canada	

Certification Process and Assessment Committee (appointed member)	2017 - present
College of Family Physicians of Canada	

CCME Abstract Selection Committee (appointed member)	2017 - present
Canadian Conference on Medical Education	

Triple C Evaluation Advisory Group (appointed member)	2015 - present
College of Family Physicians of Canada	

PREEP Action Group (appointed member)	2014 - present
College of Family Physicians of Canada	

Medical Education research representative, Research Communities of Practice	2014 - present
College of Family Physicians of Canada	

Clinical Assessor Training Program (invited member) Medical Council of Canada National Assessment Collaboration	2013 - 2015
Triple-C Evaluation Survey Development Working Group (appointed member) College of Family Physicians of Canada	2011-2013
Editorial Board, <i>Canadian Journal of Education</i>	2010-2017

SERVICE (LOCAL)

MD Admissions Committee (elected member)	2021 - present
FoMD Strategic Planning Core Team (appointed member)	2020 - 2021
Faculty Learning Committee (appointed member)	2021 - present
Faculty Learning Committee (elected member at large)	2013 - 2021
MD Admissions Committee (elected member)	2013 - 2017
Faculty Learning Committee (School of Community-Based Medicine representative)	2009 - 2013
Department of Family Medicine Departmental Strategic Planning Committee (Education Strategic Planning Lead representative)	2011 – present
Department of Family Medicine Departmental Strategic Planning Committee (elected non-physician representative)	2009 - 2011
Department of Family Medicine Department Business Group	2008 - present
Department Council of the Department of Family Medicine	2008 - present
Faculty Council of the Faculty of Medicine & Dentistry	2008 - present

PEER REVIEW ACTIVITIES

<i>Canadian Journal for Medical Education</i>	2016-present
<i>BMC Medical Education</i>	2016-present
Canadian Association for Medical Education Wooster Grant reviewer	2015 - 2017
Association for Medical Education – Europe annual meeting abstract reviews	2014 - present
Canadian Conference on Medical Education (conference abstract reviews)	2012 - present
Alberta College of Family Physicians annual meeting abstract reviews	2012 - present

<i>Academic Medicine</i>	2011-present
<i>Canadian Family Physician</i>	2011-present
American Educational Researchers Association	2010-2018
